

Technology Strategic Planning

August 9, 2019

Overview

1. Student and Staff Devices
2. Technology Infrastructure
3. Communications Tools

Student & Staff Devices

2019-2020 Plan for Student & Staff Devices

Student Devices

- Aging Chromebooks “Expiring”
- Daily Use vs. State Testing
- Pilot Mobile Chromebook Carts
- Consider 1:1
- Cost of Devices Have Decreased
- Consider Funding Sources to Achieve a Sustainable Plan (District / School)

Staff Devices

- Aging Apple Laptops - 6 Year
- Repair/Replace Only Failed Equipment
- Consider Leasing
- Cost of Devices Have Decreased
- Explore alternative lower-cost devices

Technology Infrastructure

2019-2020 Plan for Technology Infrastructure

- E-Rate Infrastructure Projects
 - Internet connections - More bandwidth, lower cost
 - Uninterruptible Power Supply batteries - Replace failing batteries
- Extended Support:
 - WiFi / Wireless Network
 - Core Systems

EXTENDED SUPPORT

Communications Tools

2019-2020 Plan for Communications Tools

- Social Media Update
- Website Redesign
- School News Roll Call
- Multimedia Streaming
- Media Opt-Out Form
- Online Engagement Tools
 - ThoughtExchange (Pilot)
