Governing Board Voting Representatives for County Committee Membership
Los Angeles County School and Community College Districts

Los Angeles County Committee on School District Organization
and
Director, Business Advisory Services

SUBJECT: Election of Members to the Los Angeles County Committee on
School District Organization (County Committee)

Informational Bulletin No. 5042, "Nominations for Membership on the Los Angeles County Committee on School District Organization," August 15, 2019, alerted you about the upcoming annual meeting to elect members to the County Committee. That meeting, which will be held in conjunction with the fall meeting of the Los Angeles County School Trustees Association (LACSTA), is to be held:

DATE:	October 29, 2019
TIME:	5:30 p.m.
LOCATION:	The Quiet Cannon 901 Via San Clemente Montebello, CA 90640

This bulletin informs the voting representatives from each governing board of the process for electing members to the County Committee. Two options are available for the board's voting representative to cast his/her vote. Either option is acceptable.

Option I—Cast Vote by Voting Online

- The voting representative goes to the link below:

<https://www.surveymonkey.com/r/ElectionBallot2019>

- Online votes will be accepted up until 2:00 p.m. on the day of the meeting.

- This election is an at-large election. Therefore, **each** voting representative casts a vote for **each** vacancy. There are four vacancies – one in the Second Supervisorial District (Attachment 1), one in the Third Supervisorial District (Attachment 2), one in the Fifth Supervisorial District (Attachment 3), and the At-Large seat is also up for election.

Option II—Cast Vote at the LACSTA Meeting

- If a district prefers not to submit their ballot online, the voting representative may attend the LACSTA meeting on October 29, 2019, and present their completed ballot for inclusion in the election count. A ballot is included herein (Attachment 4) and blank ballot forms will be available at the meeting for all designated voting representatives who did not complete their ballot online. Each district may submit only one ballot.
- Specific instructions for voting will be provided at the LACSTA meeting. **The voting will conclude at 7:00 p.m.** Voting representatives may submit their ballots until that time only.

Biographical sketches provided by those persons who are nominees for election to the County Committee are attached (Attachment 5). This information, combined with governing board input, should allow each board's voting representative to vote with knowledge of the nominees' qualifications.

Vote Tabulation

All votes cast will be totaled. A majority of all those who vote (through both options) will determine the new County Committee members. If the voting representatives fail to elect members to fill the vacancies by a majority vote, a run-off election will be held between the two candidates receiving the most votes. The run-off election will be conducted by absentee ballot, and the results will be announced in an election results bulletin.

(For Terms Beginning in 2019 and Expiring in 2023)

Second Supervisorial District (one vacancy)

Charles Davis (Candidate)

Charles Davis has served the citizens of Compton and the surrounding area for more than 38 years as an elected official. His first elected position at the age of 28 was with the City of Compton as its elected City Clerk and he served from July 1973 to December 2003 when he retired (30 and a half years). He then came out of retirement when a group of citizens asked him to run for a seat on the Compton Community College Board of Trustees, to which he was elected November 2009 and served four years until December 2013.

He decided to run for a seat on the Compton Unified School District Board of Trustees and in November 2013 and won one of the four at large seats. In 2015 Mr. Davis won a new four-year term that will end in December 2019. At the end of Mr. Davis's current term, he will have served the citizen of Compton and the surrounding area for forty (40) years as an elected official. Mr. Davis believes that all elected offices are important, but, as it relates to policy, the one that affects citizens the most directly is a School Board Member.

Third Supervisorial District (one vacancy)

No nominations received

Fifth Supervisorial District (one vacancy)

Suzan Solomon (Incumbent)

I am currently the Vice President of the County Committee.

As governing board member for the Newhall School District, I work with various local and state agencies through which I have gained great knowledge and experience regarding the dynamics of multiple jurisdictions and their functions. These experiences, along with extensive

hours of leadership and conflict resolution training, have prepared me for service on the County Committee.

I will continue to bring fairness and objectivity to the County Committee, focusing on issues, staying on task, and encouraging timely resolutions. I will maintain positive relationships and always communicate clearly.

As a resident of the Santa Clarita Valley, I am familiar with jurisdictional and annexation issues. Our city is surrounded by unincorporated areas and we have pursued having a sphere of influence on these issues several times.

Currently, I serve on the Los Angeles County School Board Trustees Association (LACSTA), and serve as Leadership Vice President for the 34th District PTA which includes both the Antelope and Santa Clarita Valleys.

My work on the County Committee, as governing board member, past president of LACSTA, and PTA president provide me opportunities for familiarity with people and issues throughout Los Angeles County.

At-Large Supervisorial Seat (one vacancy)
--

Dr. Ted Edmiston (Incumbent)

Dr. Edmiston has served on the County Committee since 2012, and prior to that he served on the Cerritos College Board of Trustees for 21 years.

A '60 graduate of John Marshall High School in Los Angeles, he first studied engineering and other related subjects at the Los Angeles Community College at Vermont and Santa Monica Blvd.; got a B.S. in small business and finance from Woodbury Business College (near San Fernando Blvd.) with emphasis in marketing, advertising, and accounting; went on to Cal State Los Angeles to do further studies in business, marketing, and advertising and needing a "teaching major" for a teaching certificate took additional courses in biology, botany, and zoology; then finally obtained his 4-year chiropractic degree at Cleveland Chiropractic College on Vermont Ave.

He worked hard to provide knowledgeable and responsible leadership at Cerritos College and in the community. He worked closely with other school and college boards and with several Chambers of Commerce.

He believes education is necessary to meet the demands of the future. Education should be available to everyone.

John Quintanilla (Candidate)

Mr. Quintanilla has been a member of the Rosemead School Board since 2013; he was selected as President of the Board in December of 2016. He served as Board President during much of the development of a model Governance Handbook. Owned Golden Rose Florist in Rosemead for 24 years; currently owns and operates his own Notary Public and Photo Booth businesses in Rosemead. He currently works for Health Net, a healthcare company in Woodland Hills. Mr. Quintanilla also previously owned a Fatburger franchise in Panorama City.

Attended Savannah, Muscatel Middle School, and Rosemead High School, as well as attended Pasadena City College and Cal Poly Pomona. Actively involved in the City of Rosemead, being a Commissioner for the City of Rosemead Traffic Commission and also a member of the Board of Directors for the Rosemead Chamber of Commerce. Member of the Educational Foundation for the Rosemead School District and has a high interest in developing community partnerships and support from organizations such as the Kiwanis Club and other community partnerships.

He has been a board-appointed member of the Los Angeles County School Trustee Association (LACSTA). Mr. Quintanilla was raised in Rosemead and born in Los Angeles County.
