Request for participation

Tournament request: **Napa Valley Invitational**

The San Marino Women's Wrestling Team is requesting permission to participate in the **Napy Valley Invitational** tournament. This tournament is specifically being requested because it will provide the student athletes the opportunity to face in-state competition that they would expect to see during the post-season CIF State event. Having the opportunity to face the level of competition expected to participate in the event will allow the team to measure their progress and make the necessary adjustments to their regiments as they prepare for their post-season schedule. This event is one of the largest and fastest growing tournaments in the country. Numerous college coaches attend regularly to scout and provide scholarship opportunities to the participating women. Womens wrestling is one of the fastest growing sports in the country and has been recently labeled as an NCAA emerging sport. Exposure to coaches that lack the financial budgets to travel to individual schools will have a positive impact on our young women's futures.
