COVID-19 Testing

The San Marino Unified School District is committed to providing accurate and transparent information regarding COVID-19 cases on our campuses, while also maintaining privacy and confidentiality for our students and staff. The data below represents the number of **confirmed COVID-19 cases** among staff and students that are on-premise at the locations below. This information will be updated as cases are confirmed.

Location	Students	Staff	Average Daily Number of Students and Staff at Location	Current Confirmed Cases/Population
District Office	0	0	33	0
Carver Elementary	0	0	20	0
Valentine Elementary	0	0	30	0

Welcome Back!! As we look forward to the opening of our virtual schools next Wednesday, August 12, we do so with a sense of excitement and wonder. With the onslaught of COVID-19 and the closing of our schools on March 16, we were faced with many powerful questions that challenged our assumptions and traditional practices. As our staff found their footing, we recognized that thinking differently about teaching and learning was a necessity for survival. With a confidence of purpose, our teachers, counselors, principals and staff took on the enormous task of reimagining our schools, instructional programs and support systems overnight. Identifying and overcoming the hurdles and barriers across the district and state that impeded our innovation became our focus through the Summer. SMUSD's staff never stopped working, never stopped collaborating, never stopped caring about your children... OUR children.

I want to pause to say "thank you" for your patience, support and feedback during this very difficult time. The 70+ members of the School Reopening Task Force (SRTF) includes many community members and parents who gave of their time and expertise to help us pivot our teaching and learning, health & safety practices, social & emotional support tool, engagement with the community, and operational support to ensure a safe reopening of our campuses at some point in the future. I also want you to know that we recognize the significant impact that our decisions substantially have on the education of your children as
