School Accountability Report Card

Reported Using Data from the 2017-18 School Year

Published During 2018-19

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2018-19)

K.L. Carver Elementary School's mission is to create and maintain a nurturing learning environment that:

- Enables students to make well-reasoned choices;
- Inspires living with integrity and concern for others;
- Cultivates an appreciation for lifelong learning; and
- Increases adaptability to change in a diverse, ever-changing world.

With 599 students, K.L. Carver Elementary School offers a challenging educational program that is closely matched with the developmental and educational needs of each child. Instruction is grounded in rigorous content that goes far beyond the basics. Well-trained professionals effectively use high-quality instructional materials aligned to Common Core State Standards. Students become literate seekers of knowledge who develop competent critical thinking, problem-solving, and communication skills. These skills are applied in core content areas including reading/English-language arts, mathematics, social studies, science, visual and performing arts, and health/physical education. Carver also was named a California Distinguished School in 2018 and 2014, in recognition of our school's consistent standing in the top ten percent of all California schools based on students' standardized test results and other outstanding factors. Carver School won the prestigious National Blue Ribbon Award in 2005, an honor bestowed by the U.S. Department of Education. All students have access to the core curriculum. In both the mainstream and special programs, those students with special needs (English learners, gifted/talented, and individuals with special needs) receive customized support designed to access the core curriculum in ways best suited to individual learning styles. Invigorating, creative teaching and learning occur in a safe environment where positive attitudes and behavior are expected and achieved. Good citizenship and personal accountability for behavior are an integrated part of every activity.

A. Conditions of Learning**State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

Year and month in which data were collected: September 2018

Students enjoy quality texts, supplementary materials, and other instructional resources that complement the standards-based instruction. Every student has access to textbooks, including English Language Learners and students with other special needs. The San Marino Unified School District adopted new Common Core math materials for 2014-15. New ELA/ELD textbooks were adopted in 2016. Textbooks used in Reading/Language Arts (2015, 2017), Mathematics (2014), Social Studies (2006), and Science (2007) are standards-based. The History-Social Science, and Science curriculums are being reviewed and recommended for adoption in 2018-19. On September 26, 2017, the Governing Board certified there are sufficient standards-based texts, purchased within the most recent framework cycles, to be in compliance with Education Code Section 60119, 60442, and the Williams Settlement (SB 550 and AB 831). For a complete accounting of texts see <https://goo.gl/XELD4N>

School Facility Conditions and Planned Improvements (Most Recent Year)

The Carver School facilities are well maintained in a manner that is clean, safe, and functional. The academic facilities are comfortable, spacious, air-conditioned, and well designed for instruction. A School Facility Conditions Evaluation is done each year by the Director of Maintenance and Operations. A copy of the latest Facility Inspection Tool (FIT) can be found at https://www.smusd.us/apps/pages/index.jsp?uREC_ID=29923&type=d&pREC_ID=23643. An evaluation of all schools facility conditions are completed annually in the fall.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
English Language Arts/Literacy (grades 3-8 and 11)	90.0	91.0	89.0	87.0	48.0	50.0
Mathematics (grades 3-8 and 11)	91.0	91.0	85.0	87.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2017-18)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	321	308	95.95	90.91
Male	173	166	95.95	90.96

English Learners	98	90	91.84	84.44
Students with Disabilities	34	32	94.12	62.50

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Mathematics by Student Group Grades Three through Eight and Grade Eleven (School Year 2017-18)

English Learners	98	96	97.96	87.5
Students with Disabilities	34	31	91.18	74.19

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Science for All Students Grades Five, Eight, and Ten

Subject	Percentage of Students Meeting or Exceeding the State Standard					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
Science (grades 5, 8, and 10)	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2017-18)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	22.5	30.0	33.3

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2018-19)

Carver's campus is abuzz with dedicated volunteers who facilitate classroom learning, activities, and events. This level of commitment does not happen by accident but through a strategy of personalized recruitment and on-going appreciation. With tens of thousands of reported volunteer hours, the PTA is an essential component of school life. Parents are active in fund-raising through annual Book Fairs, Parent Party, Jog-A-Thon, and the Carver Carnival. PTA monies partially support enrichment programs including instructors for the library, art lab, music studio, STEM lab, and instructional assistants. Carver PTA contributes to the overall experiences at the school by providing programs including cultural arts, assemblies, Lunar New Year Celebration, Science Fair, and Earth Week. Carver PTA has an active voice in decisions about the school program. For more information, please contact our school office at (626) 299-7080.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School			District			State		
	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18

Expulsions	0.0		0.0	0.0	0.0	0.0	0.1	0.1	0.1

School Safety Plan (School Year 2018-19)

On the whole, the students are academically focused and thus, there are very few discipline problems. Open and honest relationships among teachers, children, parents, and administration are a solid foundation for a safe school environment. In the spring of 2018 students in grade five completed the California Healthy Kids Survey, please see the results at <https://goo.gl/HPqgzW>. A Comprehensive School Safety Plan is monitored and updated as appropriate by a representative team of school, parents, and community members. The plan was recently updated in January 2018 by the School Site Council. Components required by Education Code 52012 and 52842 address the following goals:

Goal #1: All students and staff members are provided with a safe teaching and learning environment.

Goal #2: All students are safe and secure while at school, when traveling to and from school, and when traveling to and from school-related activities.

Goal #3: District programs and approved community resources are made available to students and parents.

Goal #4: Students, parents, staff, and community members shall effectively communicate in a manner that is respectful to all cultural, racial, and religious backgrounds.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Average Class Size and Class Size Distribution (Elementary)

For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Professional Development (Most Recent Three Years)

Professional development is research-based, founded on student needs as matched to the teachers' instructional strengths and challenges. The goal of the program is to improve student performance in the core content areas. Throughout the 2018-2019 school year, the Carver faculty will focus professional learning on the Next Generation Science Standards (NGSS) and Positive Behavioral Intervention and Supports (PBIS). Professional Development Days are used to address the above goals and other instructional pursuits with input from the elementary leadership team, consisting of teachers and the principal. Teachers participate in faculty meetings, professional development activities, and individualized programs as appropriate to teacher needs.
